

Fear of Making Business Presentations Holding You Back?

Speak Like a CEO Even If You Have Never Spoken Before

Free 90-minute Business Presenter's Workshop

March 24, 2011

6:30 p.m. to 8:00 p.m.

Located at: SoHo Marketing Institute, 953 Officers Row, Vancouver, WA
<http://www.SoHoMarketingGuru.com/directions>

Free workshop is a forerunner to the 8-week Business Presenter's Workshop starting March 31, 2011 and running through May 5, 2011.

This mini workshop will give you insight into Business Presenter's Workshops. You will experience how the process works and why it is successful for developing your presentation skills.

This is a free, no obligation exploratory session for businessmen and women to learn about methods for controlling stage fright, ways to construct a presentation for your audience and how to improve your delivery. You will be introduced to the educational process that will help you gain the knowledge, skills, and confidence to make effective and compelling business presentations.

Learn to become an exceptional business presenter in an interesting, challenging and supportive environment. You can only become an exceptional presenter by presenting, accepting constructive feedback, making corrections and presenting again. We make learning to present fun!
